### Solitude

So little quietude there is,  
'Tis the age of sound;  
Pleasure is not in reveries,  
Nor joy in silence found.

So few will take the lonely way  
With aid for company,  
But with an endless clamor say  
The thought's activity.

But we will keep within the mind,  
Where no one can intrude,  
A little room where we may find  
A welcome solitude.

(Hilda M. Stude)

From the hall where the saloons' convention was being held came rosy rays of applause.

"What's all the noise about?" asked a policeman of a man who had just stepped out.

"They've been making speeches," replied the latter, "and somebody just introduced the man who sold Musson's to a bank on how to acquire self-confidence."

The Pastor: "So God has sent you two more little brothers, Biddy?"  
Biddy (brightly): "Yes, and the snobs where the money's coming from; I heard Biddy say so."

There may be a good time coming, as the financiers assure us, but all we can say is that it's a good time coming.

While (the boxer returning from fight)—"Did you get on, Bill?"  
Bill—"Fine"—put 'im to sleep in the third round."

While—"Good. Well, now you can try your stuff on the baby."

## DALEMEAD

The Play "George in a Jam" given by the Langdon players was a great success and enjoyed by all.

We are pleased to state that Violet Patterson, pupil of the Oakland School who scored the most points at the Langdon School Fair was awarded the short course at the Agricultural College, Odis in June.

The Whist drive held on Wednesday evening was well attended.

Mr and Mrs Van der Velde and daughter Marjorie moved to Odis to attend the banquet and closing program of the O. S. A. on Tuesday.

The pupils from the Dalemead high school taking the course were as follows—Frank Winters taking two in one course, received his Diploma. R. Winters, Helen Van der Velde, Wendie Nelson and Russell Connor taking the two year course.

Mr Fred Dalton who visited his mother and other relatives and friends returned home the past week.

Mr Cleveland who spent the winter months in Victoria returned by motor, his son Allan driving the coach.

## ROCKYFORD

The curling club held a meeting recently at which they elected their officers for next season. The officers elected were: President O. R. Foss, Vice-President T. Birt and Secretary-Treasurer, T. L. Halpin.

On Tuesday evening the curlers ended the year with a bridge party. During the supper the President assisted by the Secretary presented the cups and prizes to the winners in the various competitions. It was suggested that next season the curling club have more social evenings as this one was very successful.

Mrs R. Kenny and two children Bonnie and Lois of Redlands spent the week end with Mrs Kenny's sister Mrs George Muehlbauer.

A meeting of the Ratepayers was called on Wednesday to deal with the question of graveling the streets in town. It was decided to have the streets gravelled by the members present.

Mr and Mrs Wm. Rudd were Calgary visitors during the week.

Mr and Mrs A. Osterweil are being congratulated on the birth of a son, at the General Hospital, Calgary.

The Ladies Aid met at the Church House last Friday afternoon. Final arrangements for the Easter sale and was the business for the afternoon.

Mrs W. Carpenter spent several days last week with relatives in Medicine Hat.

Mr and Mrs Ray Bragg are receiving congratulations on the birth of a daughter at the Bragg home. Both are reported to be doing well. Mrs George Muehlbauer spent Thursday in Calgary.

## ARDENODE

We are sorry to report D. S. Brook is confined to bed, suffering from a heavy cold, hope to see him back on the job pretty soon.

The Food Elevator will be closed from April 23rd for all summer. Mr R. C. Evans will be leaving for distant points, painting and remodeling elevators. We hope to see him return to us, after holidays, when we harvest our big crops. "See you."

Mrs J. A. Lytle and family spent a few days in Calgary last week, taking in the sights of the Horse Show. Mr John Davis spent a couple of days in the big city last week, and attended the Bull Sale.

We were under the impression a few days ago that Spring had come, but we know now that gophers, or line birds or none of these spring signs are to be relied on, because we are still shivering in the north winds. We think maybe it will be warmer next month, "under the collar" at any rate. If not outdoors, or cheer up, it's all wind that blows up one any good, they say.

## CHEADLE

The dance on Friday last was a great success. A large crowd was in attendance and a good time was had by all. The twenty dollar prize was won by Mr Stewart Lang of Langdon. J. C. Cummings of Calgary was the lucky winner of the ten dollar prize. The one dollar prizes were awarded to Mrs McLean, Mrs R. Miner, Mrs Kate Smith, Mrs Yeomans, Mr Russell and Mr Peter Torgiminnson, all of Cheadle, Miss Phyllis Craig, Calgary, Bill Sealey, Ardmore, and Mr Bartlett of Strathmore.

Miss Kay Elliott spent the week end at the Keer home.

Miss W. Trennum was confined to bed and unable to teach for three days last week.

We wonder who has a lease on the corner at the top of the stairs in the Cheadle Hall.

Mrs W. Keer left Saturday morning to spend a three week vacation at the coast.

Miss A. Krueger spent a few days in Calgary last week.

Mrs C. McLean is spending a few days at the home of her parents Mr and Mrs Kirtson.

We wonder in which direction Miss Violet Harrell's interests really are.

### LANGDON

First class honors were won by Langdon students in the final, final examination of the Toronto Conservatory of Music, while Edith Higgins won honors in the grade four Conservatory exams. Andrew McNeil won honors, Mary Bishop received First Class Honors in grade one Theory. Congratulations to all.

Mr. and Mrs. E. Lee were pleasantly surprised by twenty of their Langdon friends last Tuesday evening. "500" was played and prizes won by Mrs. Scott, Harry Jonesy, congratulations went to Mrs. J. Bates and Fred Dain. Small tokens of esteem were presented to Mr. and Mrs. Lee by Mr. A. Stuart after which refreshments were served. The best wishes of all go with the Lee's to their new home in Calgary.

The young people of the community held a Purcell party for Miss Grace Smith in the W. I. rooms on Friday night. Miss Smith has been the telephone operator all winter and is leaving soon for her home in Sask.

Mr. and Mrs. J. Brander and family were in Calgary last Tuesday to be present at the graduation exercises at the Agricultural School where John Brander was a graduate.

The last of a series of "500" parties was held in the W. I. rooms March 27. Grand high prizes were won by Mrs. G. Whittney and Mr. J. W. Hill, while the average prize went to Mrs. C. Leary and G. Walcott.

Mrs. Wm. Barron was rushed to the Hospital Friday evening and an operation for appendicitis was performed at once. Mrs. Barron was very ill, and we hope for a speedy recovery.

### CROWFOOT

Mr. and Mrs. Frederick Harvey are rejoicing over the birth of a lovely baby boy, born at the General Hospital, Calgary, on Saturday, April 4th. Congratulations to you Mr. and Mrs. Frederick Harvey.

Mr. and Mrs. John Mollins have as their guests for a few days, Mr. and Mrs. Foreman and family of Calgary. Miss Mary Klink of Calgary spent a very enjoyable week end at the home of Mr. and Mrs. H. G. Scheer.

It seems as though the extreme aridity of previous years is at an end, and we are being deluged with water.

Mr. and Mrs. S. Swensen were Calgary visitors during the week.

Dr. John Giffen and Mr. J. Murem visited the Crowfoot School recently for the purpose of vaccinating the school children. We are now all back at school and are feeling none the worse for the experience.

### HERVEY NOTES

Mrs. Knapp and as her guest her sister from from Hanna Sunday March 29th.

Several of the school children have been quite sick following vaccination last week, but are now convalescing again.

Mr. J. P. Lowry and son Billy are leaving shortly for Spokane and vicinity, where they expect to spend the summer.

We are pleased to hear that Miss Deane Taylor is recovering nicely from her recent illness.

Mr. and Mrs. Jas. May are home again from a very enjoyable trip to California in time to have a taste of Alberta's extended winter.

Jas. Laycraft from Blackie has been the guest for the week of his brother W. A. Laycraft.

### Here and There

Barwell, Alta., sets this year's record for the first official report on work on the land according to a message received March 19 by the Agricultural Department of the Canadian Pacific Railway at Winnipeg. The earliest last year was from Taber, Alta., which held the record for five years, on March 21.

Alfred S. McKay, recently elected president of the Southern Alberta Pioneer and Old-Timers' Association, is one of the two surviving members of the survey party which charted the route of the Canadian Pacific Railway across prairies and mountains in 1880-1885.

Interviewed at Victoria recently, W. M. Neal, vice-president of western lines, Canadian Pacific Railway, stated that he anticipated one of the busiest travel years in recent Canadian history. There had been, he said, a substantial improvement in passenger travel business last year which is expected to continue this year.

Changes in hotel management in western Canada are announced by H. P. Mathers, general manager Canadian Pacific Hotel system as follows:—R. E. Chesser, manager Hotel Vancouver, appointed assistant general manager of the company's hotels in western Canada, succeeding A. E. Robertson, resigned; Colin P. Pratt, manager Palliser Hotel, Calgary, becomes manager Hotel Vancouver with W. J. Mallett, succeeding Mr. Pratt as manager of the Palliser.

Vancouver Island, known as the historical cradle of the Pacific Northwest, is to be fettered this summer by a special cruise of the Prince of Wales of the Canadian Pacific B.V. service, which will make a complete circuit of the island, leaving Vancouver at 2 p.m., July 13, for a seven day trip in the pulse of the early explorers.

During the winter season just closed, there was witnessed the greatest step forward in ailing travel ever recorded. Over 51,000 more than a fifth greater than last year, made journeys over the week-end from Montreal to all territory in the Laurentians, the mountain paradise to the north of Montreal thoroughly covered by Canadian Pacific Railway. Many came from cities in the Eastern United States to enjoy the sport.

Nine weeks have been named and arranged for Vancouver's Golden Jubilee celebrations proper this summer but the festivities will cover the whole year and are expected to attract visitors from all over the world. One of the high lights will be the re-enactment of the arrival of the first Canadian Pacific train half a century ago.

Thirteen short European cruises from British ports will be made between May and October by the Canadian Pacific liners Montcalm and Montcalm the year. The Baltic and the Mediterranean will be covered extensively in these voyages.

Dr. A. H. Compton, physics research expert, recently returned from a trip to Honolulu on a S. S. Arcturion, after studying activities of the cosmic ray in the southern hemisphere. A specially constructed house on the liner's after-bridge contained the delicate apparatus for the purpose of securing more data on the hitherto known but ever present ray during the ship's Antipodean trip.

Thursday the regular meeting of the P. B. Club was held at the home of Mrs. Stubbins, the vice-president Mrs. Gardner in the chair. A presentation was made to Mrs. Gardner who has been an active member of the Club and is shortly leaving the district. Mrs. Much spoke to the presentation which was made by Miss Lena Dick. The luncheon hostesses were Mrs. E. Stubbins and Mrs. Kennagh.

The C.G.T. group held a Social Evening in the United Church on Friday at which the members of the girls were guests. The evening was spent in games and music and a jolly time was reported.

Sunday next the United Church Easter service will be held at 7:30 in the evening. There will be special singing which was made by Miss Lena Dick. The topic "He took it upon Himself."

### A TRIP TO AUSTRALIA

A glowing tribute to the C. P. R. from J. A. Macdonald of Calgary one time farmer in the Cheadle district and now visiting his home land in New Zealand.

(continued from last week)  
Some delay through fog between Vancouver and Victoria, the stop here only long enough to take on the mail and some more passengers. The fly-

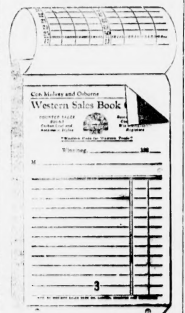

soars through straits, then the real Pacific, good weather all the way in Honolulu, six hours stop, gives, all who want it, time to drive round city and country drives, Philippine canning on a very large scale is very interesting. The city has grown considerably. Harbour improvements, business places, residences, hotels, and theatres, neatly built very substantially in reinforced concrete.

A very free and easy style with tip-top. Visitors are welcome everywhere. The Royal Hawaiian Hotel, 10 meadows, meet and see of at least 100 play lots of good pieces. Out-riding among improvements. In recent years is the high and beautiful Aloha (Good wishes to you) tower. The old custom of decorating departing friends with strings of flowers is still as strong as ever.

One weather all the way to Suva, not too hot crossing the tropics. Sea too, has made considerable progress, many city improvements and some excellent highways inland and around the coast.

Another 2 days gets us in sight of the Poor nights Islands, a few miles from the coast of New Zealand, still fine weather, all ends have been done quite safely from Vancouver. In a Vancouver Lake boat, perhaps not in the 19 days that the voyage would take by a modern mail boat. Then 10 miles from here to city of Honolulu, among the many islands in the Honolulu gulf. Many miles out see the higher parts of the city are visible, outstanding among the improvements is plainly seen the magnificent war memorial museum. This huge building of solid fireproof construction.

construction costing six million dollars to a gift of the people of Auckland and is some proof of what can be done by united action for a worthy cause. Valuable gifts of antique furniture, vases, books, pictures, etc. kept pouring in. A Maori canoe 96 ft. long is one of them.

Other substantial improvements are the new railway station and the scenic waterway drive. The highway is already paved for many miles and planted with the beautiful evergreen flowering N. Z. trees, some already flowering. This highway has been built all along the south side of the harbour on made ground washed with asphalt masonry at enormous cost. It carries several pretty tidal lakes varying in size from a few to over 100 acres in size, making nice bathing places and small boat harbours.

Until lately it was considered very unwise to spend so much on these improvements during hard times, but it is now admitted to be the right thing to do and the combined action of the City, Highway Dept., Harbour and Highway Boards are to be congratulated on what their united action has accomplished.

They are getting the cost all back in the ever increasing tourist traffic. Large ships are coming and going, all the more hotels have been built and most of the old large city

houses are turned into renting flats, and still at such a time it is hard to find accommodation.

Many other beautiful parks, island resorts have come into existence lately, perhaps it would not be out of place here to give Will Lawson's (the Australian poet) version of the beauties of Auckland.

The Poultry Branch of the Dept of Agriculture has issued a bulletin on Brooder House Construction and care and Management of Baby Chickens which is full of good advice to all those who are raising chickens and we suggest they write the Dept. of Agriculture, Edmonton for a copy.
